Malaysia Direct Inward Dialing (DID) Number

UNLIMITED, UNTIMED INCOMING CALLS

DID number enable you to to have a Malaysia telephone number wherever you are. By taking advantage of SIP technologies, you can answer calls to your Malaysia DID number anywhere in the world as long as you have a reliable internet connection.

HOW MUCH DOES IT COST

One time setup fee	RM 199
Monthly Fee per Malaysia (+603) DID number	RM 48
Additional Channel per month	RM 15
Minimum term	3 months

By default, each DID number allows 1 active call at any one time.

If you would like to receive more than 1 call at a time, you can purchase additional line while you order.

The Benefits

Businesses from other states or countries can now have an instant 'presence' here in Kuala Lumpur, Malaysia without actually having a physical office and phone number. Your customers can call your Malaysia DID and you can answer the call from anywhere in the world as long as your IP Phone is connected to our system through the Internet.

You may also opt to have your Malaysia DID Number forwarded to another telephone number (forwarding cost varies from \$1 to \$5 per minute depending on the destination).

How it works?

Upon sign up, you will receive an account activation email from us within 24 hours with your Malaysia, Kuala Lumpur DID number, SIP username & password and our server address for you to configure your IP phone. Once you receive this email, your DID number is ready for use and your friends, business partners, associates, customers can start calling your Malaysia DID number to reach you where ever you are whenever your phone is log on to our system.
